

# Entrance Thresholds

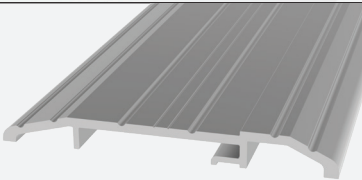

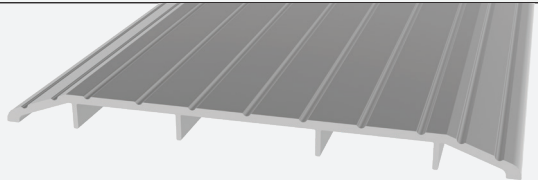

These are the thresholds used for our YKK AP Entrances. Refer to Y-View for CAD drawings of thresholds. All thresholds are mill aluminum finish and ordered as a stocklength, unfabricated. For fabricated thresholds, refer to door packages or order the H-8100/H-8200/H-8300/H-8500 Series Threshold Entrance Hardware.

## Standard Thresholds For 20D/35D/50D Entrances

		
<b>Standard:</b> E9-0407 4" Threshold	<b>Optional:</b> E9-0449 5-1/2" Threshold	<b>Optional:</b> E9-0445 7" Threshold

<b>Optional:</b> E9-0487 4-1/2" Airtight Threshold E2-0051 Gasket Not Included Also available as a package with gasket: AS-0487

## Monumental Thresholds For 40M/50M Entrances

		
<b>Standard:</b> E9-0433 4-1/2" Threshold	<b>Optional:</b> E9-0449 5-1/2" Threshold	<b>Optional:</b> E9-0445 7" Threshold

## Thermally Broken Thresholds For 25T/35T/50T Entrances

<b>Standard:</b> BE9-0465 4-1/2" Thermal Threshold

# Entrance Thresholds

## Impact Resistant Thresholds

For 35H/50H Entrances

	
<p><b>Standard:</b> E9-0487 4-1/2" Airtight Threshold E2-0051 Gasket Not Included Also available as a package with gasket: AS-0487</p>	<p><b>Required for Air &amp; Water Applications</b> but Optional for Non-Air/Water (Non-accessible without Ramps): E9-0502 and E9-0503 5-5/16" Water-Resistant Threshold and Trim E2-0051 Gasket Not Included</p>

		
<p><b>Ramps (To help meet accessibility):</b> E9-0511, E9-0512 or E9-0513 5/8", 1-1/4" and 1-1/2" Height Threshold Ramp Attachments</p>		

## Impact Resistant (Low Pressure) Thresholds

For 35HL/50HL Entrances

		
<p><b>Standard:</b> E9-0407 4" Threshold</p>	<p><b>Single Door Optional and Paired Required:</b> E1-1138 Door Stop for Airtight Threshold E2-0051 Gasket Not Included Also available as a package with gasket: H-8000 Series</p>
