Impact Resistant Thresholds

For 35H/50H Entrances

Standard: E9-0487
4-1/2" Airtight Threshold
E2-0051 Gasket Not Included
Also available as a package with gasket: AS-0487

Required for Air & Water Applications
but Optional for Non-Air/Water (Non-accessible without Ramps):
E9-0502 and E9-0503
5-5/16" Water-Resistant Threshold and Trim
E2-0051 Gasket Not Included

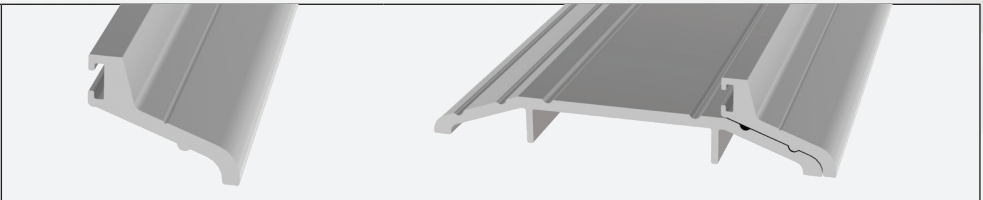

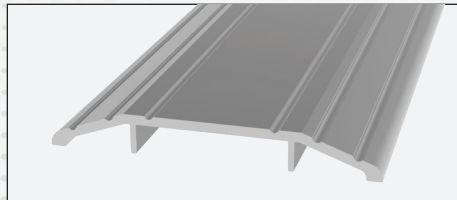

Ramps (To help meet accessibility): E9-0511, E9-0512 or E9-0513
5/8", 1-1/4" and 1-1/2" Height Threshold Ramp Attachments

Impact Resistant (Low Pressure) Thresholds

For 35HL/50HL Entrances

Standard: E9-0407
4" Threshold

Single Door Optional and Paired Required:
E1-1138 Door Stop for Airtight Threshold
E2-0051 Gasket Not Included
Also available as a package with gasket: H-8000 Series
